

# Rangers friendly

**FIRST DIVISION** stars Queens Park Rangers are sending a team to loakes Park tonight (Tuesday) for a friendly with Wycombe Wanderers.

As Rangers were involved in a vital Football League match with London rivals Arsenal yesterday, there is unlikely to be many first team men in the side. Nevertheless, Rangers have fought their way to the top this season with their own brand of attacking football and tomorrow's game should be full of entertainment.

The match ball is being presented by the Wycombe Wanderers' Supporters Club. It will be autographed by both teams and then given to the Chiltern Gateway Club who will raffle the ball to raise funds for mentally handicapped children.
